- 50 "§ 105-113.4E. Modified risk tobacco products.
- 51 . . .

. . . . "

## **General Assembly Of North Carolina**

Substantiation. - Generally, tobacco products are subject to the tax imposed under 1 (c) 2 this Article, unless a taxpayer manufacturer substantiates that a product qualifies as a modified 3 risk tobacco product and is subject to a reduced rate of tax in accordance with subsection (b) of 4 this section. A taxpayer manufacturer may substantiate that a product qualifies as a modified risk 5 tobacco product by providing the Department a copy of the order issued by the United States 6 Food and Drug Administration verifying the product as a modified risk tobacco product. Once 7 the taxpayer manufacturer provides the order to the Department, the Department must reduce the 8 tax due as required under subsection (b) of this section effective on the first day of the next 9 calendar month. If the order indicating a product qualifies as a modified risk tobacco product is 10 renewed, the manufacturer must provide the order renewing the product must be provided to the Department within 14 days of receipt.

11

12 (d) Forfeiture. – If the product no longer qualifies as a modified risk tobacco product, the 13 rate reduction under subsection (b) of this section is forfeited. A product no longer qualifies when 14 the order qualifying the product as a modified risk tobacco product expires and is not renewed or 15 the order is withdrawn by the United States Food and Drug Administration. The taxpayer 16 manufacturer must provide notice of such expiration or withdrawal to the Department within 14 days of receipt. Upon determination by the Department that the product no longer qualifies as a 17 18 modified risk tobacco product, the Department must determine if the taxpayer paid a reduced 19 rate after the order expired or was withdrawn. If the taxpayer did avoid taxes, the taxpayer is 20 liable for all past taxes avoided as a result of the product no longer qualifying plus interest at the 21 rate established under G.S. 105-241.21, computed from the date the taxes would have been due 22 if the rate reduction had not been allowed. The past taxes and interest are due 30 days after the 23 date the rate reduction is forfeited; a taxpayer that fails to pay the past taxes and interest by the 24 due date is subject to the penalties provided in G.S. 105-236."

25 SECTION 2.5.(a) Part 1 of Article 2A of Chapter 105 of the General Statutes is 26 amended by adding a new section to read:

#### 27 "§ 105-113.4G. Records to be kept.

The Secretary 44 should periodically review the sufficiency of bonds required of the licensed distributor and 45 increase the required bond amount if the amount no longer covers the anticipated tax liability of 46 the licensed distributor and decrease the amount if the Secretary finds that a lower bond amount 47 will protect the State adequately from loss.

For purposes of this section, a licensed distributor may substitute an irrevocable letter of 48 49 credit for the secured bond required by this section. The letter of credit must be issued by a 50 commercial bank acceptable to the Secretary and available to the State as a beneficiary. The letter

Article, as determined by the Secretary, provided the amount of the bond may not be less than
