Meetings. - Members of the Board may attend up to one-half of the Board's regular (b) meetings each calendar year by telephone or video-telephone. Members and Town employees attending meetings by telephone shall work to ensure that all parties are able to hear and communicate with each other. A member shall give notice to the Board secretary not less than 24 hours prior to a Board meeting of his or her intent to attend by telephone. For purposes of achieving a quorum, a member attending a Board meeting by telephone shall not be considered present but may participate fully in the conduct of the meeting, including voting upon all matters before the Board. Minutes of Board meetings shall indicate the names of members who participated by telephone or video-telephone.

"Sec. 11.4. Permit Required. (a) It shall constitute a violation of this Part to perform or cause to be performed any of the acts listed in subsection (b) of this section without a written permit from the Town. This section applies to any tree located on public property regardless of the size of the tree. For trees located on private property, this subsection applies to any tree in excess of 6 inches in diameter measured 4 feet above the ground at its highest point.

37 38

36

(b) Acts prohibited without a permit:

39 40

To mutilate, injure, remove, or relocate any live tree located within the Town (1) or injure or misuse any structure or device placed to protect any such tree.

41

To whitewash, paint, or, in any other way, discolor the stem base, bole, or root (2) of any tree located within the Town.

42 43 44

To fasten or attach any sign, wire, or electrical attachment or other device in <u>(3)</u> any manner to any tree located within the Town or to the guard around or about any such tree.

45 46 47

To, within 3 feet in any direction, close or obstruct any open space around or <u>(4)</u> about the base or root of any tree located within the Town or, in any way, prevent the access of air, water, or fertilizer to the roots of such tree. The attachment of birdhouses or other small ornamental attachments that do not substantially threaten the life of a tree is permissible.

"Sec. 11.5. Permits; Standards. The following shall apply to permits issued under this Part:

Page 2 DRH40783-LM-185

- (1) The application for a permit shall be on a form provided by the Town and shall be signed by the property owner.
- (2) The Town Manager, or his or her designee, shall consider the following criteria in determining whether a permit shall be issued for the cutting of trees on public property:
 - a. The condition of the tree with respect to disease, danger of falling, proximity to existing or proposed structures, and interference with utility services.
 - b. The need to remove the tree in order to construct proposed improvements to allow economic development of property adjacent to public property.
 - c. The topography of land and the effect of the removal of the tree on erosion, soil retention, and the diversion or increased flow of surface waters and coordination with the Town's drainage patterns.
 - d. The number of trees on improved property in the neighborhood. The Town Manager, or his or her designee, shall be guided by the standards established in the neighborhood and the effect of tree removal on property values in the area.
 - e. The Town Manager, or his or her designee, may require the relocation or replacement of a tree as a condition of issuing a permit under this Part, on a one-for-one basis, with the replacement trees having a caliper of 1 1/2 inch diameter at breast height, which shall be 4 feet above the ground at its highest point.
- (3) The Town Manager, or his or her designee, may issue a permit for the cutting of a live tree or portions of a live tree, such as limbs or branches, on private property if the tree is greater than 6 inches in diameter measured 4 feet above the ground at its highest point if:
 - a. The tree or portion of the tree is within 15 feet of the existing main structure or a main structure being constructed on a building site.
 - <u>b.</u> The tree or portion of the tree is within 5 feet of an approved septic tank or septic drain field.
 - c. The tree or portion of the tree is within 5 feet of a driveway or parking area, the location of which has been approved by the Town Manager or his or her designee.
 - <u>d.</u> The tree or portion of the tree poses a hazard to the property owner or other residents.
 - e. The cutting of the tree or portion of the tree promotes the growth and development of other trees on the lot.
 - <u>f.</u> The tree or portion of the tree is diseased or damaged.
 - g. The tree or portion of the tree is within a temporary service route.

 Approval under this sub-subdivision shall include a requirement that the owner replaces trees on a one-for-one basis as provided in Section 11.6 of this Part.
 - h. The removal of the tree or portion of the tree that does meet the provisions of sub-subdivisions a. through g. of this subdivision may be permitted pursuant to a landscaping plan that improves the property and is acceptable to the Town. The landscaping plan shall be designed to minimize the injury, disturbance, or removal of any trees that are not necessary to achieve the specific objectives of the landscaping plan.

General Assembly Of North Carolina Session 2021 For any violator of Section 11.5 of this Part on public property, in addition to 1 (5) 2 the penalties prescribed in subdivisions (1) through (3) of this section, the 3 violator shall be required to replace the removed or damaged trees with trees 4 and/or shrubs of the same size. The violator shall be responsible for the full 5 replacement cost of the trees. For any violator of Section 11.5 of this Part on private property, the person 6 <u>(6)</u> 7 who actually cut or trimmed the tree shall be deemed the responsible party; 8 provided, however, if the person who cut or trimmed the tree was hired by 9 another for that purpose, the person who hired or arranged for the cutting or trimming shall be deemed the responsible party. 10 11 "Sec. 11.9. Exemptions. This Part shall not apply to any of the following acts: Tree trimming conducted by the Town or persons acting on behalf of the Town 12 (1) as part of normal maintenance provided the trimming does not result in the 13 14 mutilation, death, or destruction of the tree. 15 The removal of a tree by the Town or persons acting on behalf of the Town (2) during a period of emergency or as a result of an act of God to prevent the 16 17 hinderance of public work to restore order in the Town. The removal of a dead tree or dead portions of a tree. The owner of the 18 (3) 19 property on which the tree is located shall have the burden of proving that the 20 tree or portion of the tree was dead at the time of removal. 21

The removal or cutting of live trees or portions of live trees, such as limbs or <u>(4)</u> branches, on private property provided that the tree or portion of the tree is less than 6 inches in diameter measured 4 feet above the ground at its highest point. The owner shall comply with the provisions of this Part regulating clear cutting.

"Sec. 11.10. Appeals. A person found in violation of this Part may appeal the decision as provided in Section 154.046 of the Town's Book of Ordinances."

SECTION 2. The establishment of a Tree Board by the Town Council of the Town of Beech Mountain having the powers and authority provided in Section 1 of this act is hereby validated. The current serving members of the Tree Board shall continue to serve until the expiration of their terms. Upon the expiration of each term, the City Council shall appoint a person to fill the vacancy and that person shall serve for a term of three years as provided in Section 1 of this act.

SECTION 3. This act is effective when it becomes law.
