36				identifying and correcting breaks in the sterile operating field.

	General Assembly Of North Carolina Se			
1	<u>(b)</u> Quali	fications for Employment or Contract Except as provide	d by subsection (e)	
2	of this section, a	a hospital shall not employ or otherwise contract for the ser	rvices of a surgical	
3	technologist in t	hat hospital unless the individual meets, at a minimum, or	ne of the following	
4	qualifications:			
5	<u>(1)</u>	Provides evidence of successfully completing a program	accredited by the	
6		Commission on Accreditation of Allied Health Education	ation Programs or	
7		another nationally accredited educational program for sur		
8		and holds and maintains the Certified Surgical Technologi	st credential issued	
9		by the National Board of Surgical Technology and Surgi	cal Assisting or its	
10		successor.		
11	<u>(2)</u>	Provides evidence of successfully completing an appropria	te training program	
12		for surgical technology in the United States Army, Navy,	Air Force, Marine	
13		Corps, or Coast Guard or in the United States Public Healt		
14	<u>(3)</u>	Provides evidence that satisfies one of the following requi		
15		a. Documentation of employment to practice surgic		
16		hospital licensed under this Part or an ambulato		
17		licensed under Part 4 of Article 6 of this Chapter	r on December 31,	
18		<u>2019.</u>		
19		b. Documentation of employment to practice surgical	<u> </u>	
20		the three years immediately preceding December 3		
21		ationary Practice. – A hospital may employ or contract wi		
22		technology during the 12-month period that immediately fol		
23	-	surgical technology program as described in subdivision (1)		
24		vever, the hospital may not continue to employ or contract y		
25		month period without documentation that the individual	has obtained the	
26		bed in subdivision (1) of subsection (b) of this section.		
27 28		<u>inuing Education. – A surgical technician employed by or</u> mply with one of the following:	contracted with a	
29	(1)	A surgical technologist who is certified by the credent	ialing organization	
30	<u> </u>	specified in subdivision (1) of subsection (b) of this section		
31		the continuing education requirements set forth by		
32		organization, as necessary to keep the certification current	-	
33		proof of compliance upon employer's request.	<u>, </u>	
34	<u>(2)</u>	A surgical technologist who is not certified according to	subdivision (1) of	
35	<u> </u>	subsection (b) of this section shall complete 30 hours of a		
36		education every two years and shall provide proof of		
37		employer's request.	· ·	
38	(e) Exce	ption. – A hospital may employ or otherwise contract with	an individual who	
39		ny of the qualifications specified in subsection (b) of this s		
40	following require	• •		
41	(1)	The hospital makes a diligent and thorough effort, and aft	er such an effort is	
42		completed, the hospital is unable to employ or contrac	t with a sufficient	
43		number of qualified surgical technologists who satisfy the r	requirements of this	
44		section.	*	
45	<u>(2)</u>	The hospital documents and retains records of its efforts	s made pursuant to	
46	_	subdivision (1) of this subsection.	_	
47	<u>(3)</u>	The hospital ensures that any noncertified surgical techno	logist employed or	
48		contracted by the hospital complies with the con	tinuing education	
49		requirements of subsection (d) of this section.		

	General As	sembly Of	North Carolina	Session 2021		
1	<u>(f)</u>	Scope of Pra	actice. – Nothing in this section shall be constru	ued to prohibit a licensed		
2	practitioner	from perfo	rming surgical technology tasks or functions if	the practitioner is acting		
3	within the s	cope of his	or her license.			
4	<u>(g)</u>	Adverse Ac	tion. – The Department of Health and Human S	ervices may take adverse		
5	action again	st a hospital	under G.S. 131E-78 for a violation of this section	on. A hospital may restrict		
6			y to practice surgical technology, as deemed ap			
7	in the event	the employ	ee does not comply with the requirements of thi	is section."		
		SECTION 2. Part 4 of Article 6 of Chapter 131E of the General Statutes is amended by adding a new section to read:				
	• •		latory surgical facility standards for surgical	technology care.		
			- The following definitions apply in this section			
			ical technologist. – An individual who is empl			
	د		latory surgical facility to perform surgical	•		
			tions.	decimorogy auto and		
	(ical technology. – Surgical patient care that ind	cludes but is not limited		
	7		e following perioperative tasks or functions as

		n		sitioning nationts on the		
		<u>n.</u>	Assisting with transferring patients and po-	smoning patients on the		
		-	<u>operating table.</u>	ila taabniqua inaludin-		
		<u>0.</u>	Maintaining the highest standard of ster			
	(1-)	Ovelificatio	identifying and correcting breaks in the steril			
			ns for Employment or Contract. – Except as pr	-		
			ulatory surgical facility shall not employ or o			
		-	chnologist in that ambulatory surgical facility un	less the individual meets,		
			ne following qualifications:	commencedited by the		
	<u>(</u>		ides evidence of successfully completing a pr			
			mission on Accreditation of Allied Health			
			ner nationally accredited educational program f			
			nolds and maintains the Certified Surgical Technology and			
			ne National Board of Surgical Technology and	Surgical Assisting of Its		
		succ	essor.			

General Assem	bly Of North Carolina	Session 2021
<u>(2)</u>	Provides evidence of successfully completing an appropriate	training program
	for surgical technology in the United States Army, Navy, A	Air Force, Marine
	Corps, or Coast Guard or in the United States Public Health	Service.
<u>(3)</u>	Provides evidence that satisfies one of the following require	ements:
	a. Documentation of employment to practice surgical	technology in an
	ambulatory surgical facility licensed under this Part	or an ambulatory
	surgical facility licensed under Part 4 of Article 6 of	of this Chapter on
	December 31, 2019.	
	b. Documentation of employment to practice surgical t	echnology during
	the three years immediately preceding December 31	<u>, 2019.</u>
(c) Proba	ationary Practice. – An ambulatory surgical facility may emplo	y or contract with
an individual to	practice surgical technology during the 12-month period	that immediately
follows the succ	essful completion of a surgical technology program as describ	bed in subdivision
(1) of subsection	(b) of this section. However, the ambulatory surgical facility	may not continue
to employ or co	ntract with that individual beyond the 12-month period witho	ut documentation
that the individu	al has obtained the credential described in subdivision (1) of	subsection (b) of
this section.		
(d) Cont	inuing Education. – A surgical technician employed by or c	ontracted with an
ambulatory surg	ical facility shall comply with one of the following:	
<u>(1)</u>	A surgical technologist who is certified by the credentia	ling organization
	specified in subdivision (1) of subsection (b) of this section	shall comply with
	the continuing education requirements set forth by	the credentialing
	organization, as necessary to keep the certification current,	and shall provide
	proof of compliance upon employer's request.	
<u>(2)</u>	A surgical technologist who is not certified according to s	subdivision (1) of
	subsection (b) of this section shall complete 30 hours of re	levant continuing
	education every two years and shall provide proof of	compliance upon
	employer's request.	
	ption. – An ambulatory surgical facility may employ or otherv	
	ho does not meet any of the qualifications specified in subs	ection (b) of this
section if all of t	he following requirements are met:	
<u>(1)</u>	The ambulatory surgical facility makes a diligent and the	
	after such an effort is completed, the ambulatory surgical fa	
	employ or contract with a sufficient number of qualified surg	gical technologists
	who satisfy the requirements of this section.	
<u>(2)</u>	The ambulatory surgical facility documents and retains rec	ords of its efforts
	made pursuant to subdivision (1) of this subsection.	
<u>(3)</u>	The ambulatory surgical facility ensures that any non	-
	technologist employed or contracted by the ambulatory	
	complies with the continuing education requirements of sub	section (d) of this
	section.	
	e of Practice Nothing in this section shall be construed to p	
•	n performing surgical technology tasks or functions if the pra	ctitioner is acting
	of his or her license.	
-	erse Action. – The Department of Health and Human Services	-
	ambulatory surgical facility under G.S. 131E-148 for a violati	
	surgical facility may restrict an employee's eligibility to	
	eemed appropriate by the ambulatory surgical facility, in the ev	vent the employee
	with the requirements of this section."	
SEC	TION 3. This act becomes effective January 1, 2022.
