3 Statutes or any other provision of law to the contrary, no public health authority in the State,
4 including the Secretary of the Department of Health and Human Services, the State Health
5 Director, the Commission for Public Health, or the director of any local health department, may
6 issue an order requiring any individual to submit to a COVID-19 vaccination or series of

9 as described in G.S. 130A-157 and G.S. 130A-157.5, as enacted by Section 5.1(a) of this act. In

27 administration from a third-party payor.

14 receive a COVID-19 vaccination confidential. The entity, employer, or public accommodation
15 shall keep an individual's decision to verify or decline to verify the individual's COVID-19
