5		Assembly makes the following findings:	
5	(1)	The opioid epidemic has taken the lives of	more than 20,000 North
7		Carolinians, caused immeasurable suffering a	
3		substantial costs on the State, counties, municipali	-
)		service providers, residents, and others.	
)	(2)	The epidemic was fueled by misconduct on the	part of the settling opioid
L		defendants and other companies engaged in the	
2		promotion, distribution, or dispensing of prescription	on opioid medications.
5	(3)	The State, through its Attorney General, engaged in	-
ŀ		and settlement discussions involving defendants,	
5		municipalities, through their counsel, filed lav	
5		seeking to hold the settling defendants accountable	
7		their misconduct.	
3	<u>(4)</u>	On July 21, 2021, a national coalition of states	and political subdivisions
)		announced agreements with the settling opioid d	efendants to resolve legal
)		claims against those companies stemming from act	tions that fueled the opioid
		epidemic.	_
)	<u>(5)</u>	The State, all 100 counties, and 47 municipalitie	es in North Carolina have
3		formally joined the agreements. On March 11, 202	22, all of North Carolina's
1		litigating counties and municipalities dismissed	their lawsuits against the
5		settling defendants. On April 6, and April 26, 20	022, the General Court of
5		Justice, Superior Court Division, Wake County, en

}	<u>(6)</u>	The agreements provide for payments totaling	twenty-six billion dollars
)		(\$26,000,000,000) over 18 years, with more than	twenty-three billion nine
		hundred million dollars (\$23,900,000,000) available	ble to fund state and local
		efforts to address the epidemic nationwide. Nor	th Carolina's share of the
)		payments will be distributed among the State	and its Units of Local
3		Government pursuant to a Memorandum of Agreen	nent, to which the State and
ŀ		more than 140 Units of Local Government have ag	reed. The Memorandum of
5		Agreement was approved through the Opioid	Consent Judgments and
5		establishes the means by which payments will	be distributed in North
7		Carolina.	
3	<u>(7)</u>	Pursuant to the agreements, North Carolina's s	share of the payments is
)		approximately seven hundred fifty million dolla	rs (\$750,000,000) over a
)		period of 18 years. North Carolina and its Units	of Local Government can
		secure their entitlement to that full amount, but of	only if opioid litigation in

1	North Carolina asserting Released Claims against Released Entities comes to
2	an end with no new claims.
3	(8) Newly filed Released Claims against Released Entities would frustrate the
4	purposes of the agreements, would put North Carolina's share of the payments
5	at risk, and would harm the people of North Carolina, all Units of Local
6	Government, and the State.
7	"§ 122C-470.6. Legislative intent.
8	It is the intent of this Article to prevent the assertion of Released Claims against Released
9	Entities by the State and its Units of Local Government, and thereby to help secure, on behalf of
10	North Carolina's Units of Local Government, the State, and the people of North Carolina, the full
11	share to which the State, its Units of Local Government, and its people are otherwise entitled
12	under the Opioid Consent Judgments.
13	"§ 122C-470.8. Prohibition on assertion of Released Claims against Released Entities.
14	Neither a Unit of Local Government nor the State may assert any Released Claims against
15	Released Entities.
16	"§ 122C-470.10. Preservation of remedies.
17	This Article preserves all remedies the State or any Unit of Local Government may have
