SENATE BILL 380

Short Title: Interstate Medical Licensure Compact. (Public)

Sponsors: Senators Perry, deViere, and Krawiec (Primary Sponsors).

Referred to: Rules and Operations of the Senate

March 30, 2021

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH AN INTERSTATE COMPACT FOR THE LICENSURE OF THE
3 PRACTICE OF MEDICINE.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** Chapter 90 of the General Statutes is amended by adding a new Article
6 to read:

7 "Article 1M.

8 "Interstate Medical Licensure Compact.

9 **"§ 90-21.140. Short title.**

10 This Article shall be known as the "Interstate Medical Licensure Compact."

11 **"§ 90-21.141. Purpose.**

12 (a) The purpose of this Article is to strengthen access to health care, and, in recognition
13 of the advances in the delivery of health care, the member states of the Interstate Medical
14 Licensure Compact (Compact) have allied in common purpose to develop a comprehensive
15 process that complements the existing licensing and regulatory authority of state medical boards
16 and to provide a streamlined process that allows physicians to become licensed in multiple states,
17 thereby enhancing the portability of a medical license and ensuring the safety of patients.

18 (b) The Interstate Medical Licensure Compact creates another pathway for licensure and
19 does not otherwise change a state's existing medical practice act or provisions. The Compact
20 adopts the prevailing standard for licensure and affirms that the practice of medicine occurs
21 where the patient is located at the time of the physician-patient encounter and, therefore, requires
22 the physician to be under the jurisdiction of the state medical board where the patient is located.
23 State medical boards that participate in the Compact retain the jurisdiction to impose an adverse
24 action against a license to practice medicine in that state issued to a physician through the
25 procedures of the Compact.

26 **"§ 90-21.142. Definitions.**

27 The following definitions apply in this Article:

36 by a member board.

25 may designate the state of residence for the purpose of federal income tax as their state of
26 principal license.

27 (b) A physician may redesignate a member state as a state of principal license at any time,

2 section, including the payment of any applicable fees.

3 (g) After receiving verification of eligibility under subsection (b) of this section and any
4 fees under subsection (f) of this section, a member board shall issue an expedited license to the

6 consistent with the medical practice act and all applicable laws and regulations of the issuing
7 member board and member state.

20 licenses.

21 **"§ 90-21.147. Renewal and continued participation.**

22 (a) A physician seeking to renew an expedited license granted in a member state shall
23 complete a renewal process with the Interstate Commission if the physician meets all of the
24 following qualifications:

25 (1) Maintains a full and unrestricted license in a state of principal license.

26 (2) Has not been convicted, received adjudication, deferred adjudication,
27 community supervision, or deferred disposition for any offense by a court of
28 appropriate jurisdiction.

42 (f) The Interstate Commission is authorized to develop rules to address renewal of
43 licenses obtained through the Compact.

44 **"§ 90-21.148. Coordinated Information System.**

45 (a) The Interstate Commission shall establish a database of all physicians who are
46 licensed, or who have applied for licensure, under G.S. 90-21.145.

47 (b) Notwithstanding any other provision of law, member boards shall report to the
48 Interstate Commission any public action or complaints against a licensed physician who has
49 applied or received an expedited license through the Compact.

50 (c) Member boards shall report disciplinary or investigatory information determined as
51 necessary and proper by rule of the Interstate Commission.

1 (d) Member boards may report any nonpublic complaint, disciplinary, or investigatory
2 information not required by subsection (c) of this section to the Interstate Commission.

3 (e) Member boards shall share complaint or disciplinary information about a physician
4 upon request of another member board.

5 (f) All information provided to the Interstate Commission or distributed by member
6 boards shall be confidential, filed under seal, and used only for investigatory or disciplinary
7 matters.

8 (g) The Interstate Commission is authorized to develop rules for mandated or
9 discretionary sharing of information by member boards.

10 **"§ 90-21.149. Joint investigations.**

11 (a) Licensure and disciplinary records are deemed investigative.

12 (b) In addition to authority granted to a member board by its respective medical practice
13 act or other applicable state law, a member board may participate with other member boards in
14 joint investigations of physicians licensed by the member boards.

15 (c) A subpoena issued by a member state shall be enforceable in other member states.

16 (d) Member boards may share any investigative, litigation, or compliance materials in
17 furtherance of any joint or individual investigation initiated under the Compact.

18 (e) Any member state may investigate actual or alleged violations of the statutes
19 authorizing the practice of medicine in any other member state in which a physician holds a
20 license to practice medicine.

21 **"§ 90-21.150. Disciplinary actions.**

22 (a) Any disciplinary action taken by any member board against a physician licensed
23 through the Compact shall be deemed unprofessional conduct which may be subject to discipline
24 by other member boards, in addition to any violation of the medical practice act or regulations in
25 that state.

26 (b) If a license granted to a physician by the member board in the state of principal license
27 is revoked, surrendered, or relinquished in lieu of discipline, or suspended, then all licenses issued
28 to the physician by member boards shall automatically be placed, without further action
29 necessary by any member board, on the same status. If the member board in the state of principal
30 license subsequently reinstates the physician's license, a license issued to the physician by any
31 other member board shall remain encumbered until that respective member board takes action to
32 reinstate the license in a manner consistent with the medical practice act of that state.

33 (c) If disciplinary action is taken against a physician by a member board not in the state
34 of principal license, any other member board may deem the action conclusive as to matter of law
35 and fact decided, and take one of the following actions:

36 (1) Impose the same or lesser sanctions against the physician consistent with the
37 medical practice act of that state.

38 (2) Pursue separate disciplinary action against the physician under its respective
39 medical practice act, regardless of the action taken in other member states.

40 (d) If a license granted to a physician by a member board is revoked, surrendered, or
41 relinquished in lieu of discipline, or suspended, then any licenses issued to the physician by any
42 other member boards shall be suspended, automatically and immediately without further action
43 necessary by the other member boards, for 90 days upon entry of the order by the disciplining
44 board, to permit the member boards to investigate the basis for the action under the medical
45 practice act of that state. A member board may terminate the automatic suspension of the license
46 it issued prior to the completion of the 90-day suspension period in a manner consistent with the
47 medical practice act of that state.

48 **"§ 90-21.151. Interstate Medical Licensure Compact Commission.**

49 (a) The member states hereby create the "Interstate Medical Licensure Compact
50 Commission."

1 **(b)** The purpose of the Interstate Commission is the administration of the Interstate
2 Medical Licensure Compact, which is a discretionary state function.

3 **(c)** The Interstate Commission shall be a body corporate and joint agency of the member
4 states and shall have all the responsibilities, powers, and duties set forth in the Compact, and
5 additional powers as may be conferred upon it by a subsequent concurrent action of the respective
6 legislatures of the member states in accordance with the terms of the Compact.

7 **(d)** The Interstate Commission shall consist of two voting representatives appointed by
8 each member state who shall serve as Commissioners. In states where allopathic and osteopathic
9 physicians are regulated by separate member boards, or if the licensing and disciplinary authority
10 is split between separate member boards, or if the licensing and disciplinary authority is split
11 between multiple member boards within a member state, the member state shall appoint one
12 representative from each member board. A Commissioner shall meet one of the following
13 qualifications:

14 **(1)** An allopathic or osteopathic physician appointed to a member board.

15 **(2)** An executive director, executive secretary, or similar executive member of a
16 member board.

17 **(3)** A member of the public appointed to a member board.

18 **(e)** The Interstate Commission shall meet at least once each calendar year. A portion of
19 this meeting shall be a business meeting to address matters that come properly before the
20 Commission and for the election of officers. The chairperson may call additional meetings and
21 shall call for a meeting upon the request of a majority of the member states.

22 **(f)** The bylaws may provide for meetings of the Interstate Commission to be conducted
23 by telecommunication or electronic communication.

24 **(g)** Each Commissioner participating at a meeting of the Interstate Commission is entitled
25 to one vote. A majority of Commissioners shall constitute a quorum for the transaction of
26 business, unless a larger quorum is required by the bylaws adopted by the Interstate Commission.
27 A Commissioner shall not delegate a vote to another Commissioner. In the absence of its
28 Commissioner, a member state may delegate voting authority for a specified meeting to another
29 person from that state who shall meet the requirements of subsection (d) of this section.

30 **(h)** The Interstate Commission shall provide public notice of all meetings, and all
31 meetings shall be open to the public. The Interstate Commission may close a meeting, in full or
32 in portion, where it determines by a two-thirds vote of the Commissioners present that an open
33 meeting would be likely to:

34 **(1)** Relate solely to the internal personnel practice and procedures of the Interstate
35 Commission.

36 **(2)** Discuss matters specifically exempted from disclosure by federal statute.

37 **(3)** Discuss trade secrets, commercial, or financial information that is privileged
38 or confidential.

39 **(4)** Involve accusing a person of a crime, or formally censuring a person.

40 **(5)** Discuss information of a personal nature where disclosure would constitute a
41 clearly unwarranted invasion of personal privacy.

42 **(6)** Discuss investigative records compiled for law enforcement purposes.

43 **(7)** Specifically relate to the participation in a civil action or other legal
44 proceeding.

45 **(i)** The Interstate Commission shall keep minutes which shall fully describe all matters
46 discussed in a meeting and shall provide a full and accurate summary of actions taken, including
47 record of any roll call votes.

48 **(j)** The Interstate Commission shall make its information and official records, to the
49 extent not otherwise designated in the Compact or by its rules, available for public inspection.

50 **(k)** The Interstate Commission shall establish an executive committee, which shall
51 include officers, members, and others as determined by the bylaws. The executive committee

1 shall have the power to act on behalf of the Interstate Commission, with the exception of
2 rulemaking, during periods when the Interstate Commission is not in session. When acting on
3 behalf of the Interstate Commission, the executive committee shall oversee the administration of
4 the Compact, including enforcement and compliance with the provisions of the Compact, its
5 bylaws and rules, and other such duties as necessary.

6 (l) The Interstate Commission shall establish other committees for governance and
7 administration of the Compact.

8 **"§ 90-21.152. Powers and duties of the Interstate Commission.**

9 The Interstate Commission has the following powers and duties:

28 or appoint employees, agents, or consultants, and to determine their
29 qualifications, define their duties, and fix their compensation.
- 30 (11) Establish personnel policies and programs relating to conflicts of interest,
31 rates of compensation, and qualifications of personnel.
- 32 (12) Accept donations and grants of money, equipment, supplies, materials, and

34 the conflict of interest policies established by the Interstate Commission.
- 35 (13) Lease, purchase, accept contributions or donations of, or otherwise to hold,
36 own, improve, or use any property, real, personal, or mixed.

- 50 (21) Perform such functions as may be necessary or appropriate to achieve the
51 purpose of the Compact.

"§ 90-21.153. Finance powers.

(a) The Interstate Commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the Interstate Commission and its staff. The total assessment must be sufficient to cover the annual budget approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states.

(b) The Interstate Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same.

(c) The Interstate Commission shall not pledge the credit of any of the member states, except by, and with the authority of, the member state.

(d) The Interstate Commission shall be subject to a yearly financial audit conducted by a certified or licensed accountant, and the report of the audit shall be included in the annual report of the Interstate Commission.

"§ 90-21.154. Organization and operation of the Interstate Commission.

(a) The Interstate Commission shall, by a majority of Commissioners present and voting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the Compact within 12 months of the first Interstate Commission meeting.

(b) The Interstate Commission shall elect or appoint annually from among its Commissioners a chairperson, a vice-chairperson, and a treasurer, each of whom shall have such authority and duties as may be specified in the bylaws. The chairperson, or in the chairperson's absence or disability, the vice-chairperson, shall preside at all meetings of the Interstate Commission.

(c) Officers selected in subsection (b) of this section shall serve without remuneration for the Interstate Commission.

(d) The officers and employees of the Interstate Commission shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of, or relating to, an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of Interstate Commission employment, duties, or responsibilities, provided that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(e) The liability of the executive director and employees of the Interstate Commission or representatives of the Interstate Commission, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the constitution and laws of that state for state officials, employees, and agents. The Interstate Commission is considered to be an instrumentality of the states for the purpose of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(f) The Interstate Commission shall defend the executive director, its employees, and subject to the approval of the attorney general or other appropriate legal counsel of the member state represented by an Interstate Commission representative, shall defend such Interstate Commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

1 (g) To the extent not covered by the state involved, member state, or the Interstate
2 Commission, the representatives or employees of the Interstate Commission shall be held
3 harmless in the amount of a settlement or judgment, including attorneys' fees and costs, obtained
4 against such persons arising out of an actual or alleged act, error, or omission that occurred within
5 the scope of Interstate Commission employment, duties, or responsibilities, or that such persons
6 had a reasonable basis for believing occurred within the scope of Interstate Commission
7 employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission
8 did not result from intentional or willful and wanton misconduct on the part of such person.

9 **"§ 90-21.155. Rulemaking functions of the Interstate Commission.**

10 (a) The Interstate Commission shall promulgate reasonable rules in order to effectively
11 and efficiently achieve the purpose of the Compact. Notwithstanding the foregoing, in the event
12 the Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope
13 of the purposes of the Compact, or the powers granted hereunder, then such an action by the
14 Interstate Commission shall be invalid and have no force or effect.

15 (b) Rules deemed appropriate for the operations of the Interstate Commission shall be
16 made pursuant to a rulemaking process that substantially conforms to the "Revised Model State
17 Administrative Procedure Act" of 2010, and subsequent amendments thereto.

18 (c) Not later than 30 days after a rule is promulgated, any person may file a petition for
19 judicial review of the rule in the United States District Court for the District of Columbia or the
20 federal district where the Interstate Commission has its principal offices, provided that the filing
21 of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the
22 court finds that the petitioner has substantial likelihood of success. The court shall give deference
23 to the actions of the Interstate Commission consistent with applicable law and shall not find the
24 rule to be unlawful if the rule represents a reasonable exercise of the authority granted to the
25 Interstate Commission.

26 **"§ 90-21.156. Oversight of Interstate Compact.**

27 (a) The executive, legislative, and judicial branches of state government in each member
28 state shall enforce the Compact and shall take all actions necessary and appropriate to effectuate
29 the Compact's purposes and intent. The provisions of the Compact and the rules promulgated
30 hereunder shall have standing as statutory law but shall not override existing state authority to
31 regulate the practice of medicine.

32 (b) All courts shall take judicial notice of the Compact and the rules in any judicial or
33 administrative proceeding in a member state pertaining to the subject matter of the Compact
34 which may affect the powers, responsibilities, or action of the Interstate Commission.

35 (c) The Interstate Commission shall be entitled to receive all services of process in any
36 such proceeding and shall have standing to intervene in the proceeding for all purposes. Failure
37 to provide service of process to the Interstate Commission shall render a judgment or order void
38 as to the Interstate Commission, the Compact, or promulgated rules.

39 **"§ 90-21.157. Enforcement of Interstate Compact.**

40 (a) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce
41 the provisions and rules of the Compact.

42 (b) The Interstate Commission may, by majority vote of the Commissioners, initiate legal
43 action in the United States Court for the District of Columbia, or, at the discretion of the Interstate
44 Commission, in the federal district where the Interstate Commission has its principal offices, to
45 enforce compliance with the provisions of the Compact, and its promulgated rules and bylaws,
46 against a member state in default. The relief sought may include both injunctive relief and
47 damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all
48 costs of such litigation, including reasonable attorneys' fees.

49 (c) The remedies herein shall not be the exclusive remedies of the Interstate Commission.
50 The Interstate Commission may avail itself of any other remedies available under state law or
51 regulation of a profession.

"§ 90-21.158. Default procedures.

(a) The grounds for default include, but are not limited to, failure of a member state to perform such obligations or responsibilities imposed upon it by the Compact, or the rules and bylaws of the Interstate Commission promulgated under the Compact.

(b) If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under the Compact, or the bylaws or promulgated rules, the Interstate Commission shall do all of the following:

(1) Provide written notice to the defaulting state and other member states of the nature of the default, the means of curing the default, and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default.

(2) Provide remedial training and specific technical assistance regarding the default.

(c) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the Compact upon an affirmative vote of a majority of the Commissioners, and all rights, privileges, and benefits conferred by the Compact shall terminate on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(d) Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to terminate shall be given by the Interstate Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(e) The Interstate Commission shall establish rules and procedures to address licenses and physicians that are materially impacted by the termination of a member state or the withdrawal of a member state.

(f) The member state which has been terminated is responsible for all dues, obligations, and liabilities incurred through the effective date of termination, including obligations, the performance of which extends beyond the effective date of termination.

(g) The Interstate Commission shall not bear any costs relating to any state that has been found to be in default or which has been terminated from the Compact, unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

(h) The defaulting state may appeal the action of the Interstate Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Interstate Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

5 and every member state, provided that a member state may withdraw from the Compact by
6 specifically repealing the statutes which enacted the Compact into law.

7 (b) Withdrawal from the Compact shall be by the enactment of a statute repealing the
8 same but shall not take effect until one year after the effective date of such statute and until
9 written notice of the withdrawal has been given by the withdrawing state to the governor of each
10 other member state.

12 Commission in writing upon the introduction of legislation repealing the Compact in the

18 through the effective date of withdrawal, including obligations, the performance of which extend
19 beyond the effective date of withdrawal.

21 withdrawing date reenacting the Compact or upon such later date as determined by the Interstate
22 Commission.

23 (g) The Interstate Commission is authorized to develop rules to address the impact of the
24 withdrawal of a member state on licenses granted in other member states to physicians who
25 designated the withdrawing member state as the state of principal license.

26 **"§ 90-21.162. Dissolution.**

27 (a) The Compact shall dissolve effective upon the date of the withdrawal or default of
28 the member state which reduces the membership of the Compact to one member state.

29 (b) Upon the dissolution of the Compact, the Compact becomes null and void and shall
30 be of no further force or effect, and the business and affairs of the Interstate Commission shall
31 be concluded, and surplus funds shall be distributed in accordance with the bylaws.

32 **"§ 90-21.163. Severability and construction.**

33 The provisions of the Compact shall be severable, and if any phrase, clause, sentence, or
34 provision is deemed unenforceable, the remaining provisions of the Compact shall be
35 enforceable. The provisions of the Compact shall be liberally construed to effectuate its purposes.
36 Nothing in the Compact shall be construed to prohibit the applicability of other interstate
37 compacts to which the member states are members.

38 **"§ 90-21.164. Binding effect of Compact and other laws.**

39 (a) Nothing herein prevents the enforcement of any other law of a member state that is
40 not inconsistent with the Compact.

42 of the conflict.

43 (c) All lawful actions of the Interstate Commission, including all rules and bylaws
44 promulgated by the Commission, are binding upon the member states.

45 (d) All agreements between the Interstate Commission and the member states are binding
46 in accordance with their terms.

47 (e) In the event any provision of the Compact exceeds the constitutional limits imposed
48 on the legislature of any member state, such provision shall be ineffective to the extent of the
