"Partnership Policy Status: Your long-term care insurance policy is intended to qualify as a Partnership Policy under the North Carolina Long-Term Care Partnership Program as of your policy's effective date. For Medicaid applicants applying for help with the cost of long-term care, this means that an amount of your resources equal to the dollar amount of long-term care insurance benefits paid to you or on your behalf under this policy may be disregarded for purposes of determining your eligibility for long-term care Medicaid and from any subsequent recovery by the State from your estate for payment of Medicaid paid services. This policy may also lose long-term care partnership program status due to changes in federal or state laws.

A license issued to a nonresident of this State shall grant the same rights and privileges afforded a resident licensee, except as provided in subsection (i) of this section.

a1. If a nonresident licensee's license in his or her home state is no longer in good standing for any reason, the nonresident licensee's license issued by the Commissioner shall automatically lapse 30 days after the loss of the nonresident's home state license.  5. The Commissioner shall keep a record of the day and hour of service upon him of all such legal process. No proceedings shall be had against the defendant nonresident licensee, and such defendant shall not be required to appear, plead or answer until the expiration of 40 days after the date of service upon the Commissioner.
- e. If the Commissioner revokes or suspends any nonresident's license through a formal proceeding under this Article, he shall promptly notify the appropriate Commissioner of the licensee's residence of such action and of the particulars thereof.

This subsection does not apply to fees charged to insurance producers.

(j) Reciprocity Provision. – To the extent that other states that provide for the licensing and regulation of and payment of commissions to ~~agents, insurance producers or limited representatives, or brokers,~~ waive restrictions on the basis of reciprocity with respect to North Carolina licensees applying for or holding nonresident licenses in those states, the same restrictions on licensees from those states applying for or holding North Carolina nonresident licenses shall be waived.

SECTION 14.(pp) G.S. 58-36-1 reads as rewritten:

"§ 58-36-1. North Carolina Rate Bureau created.

There is hereby created a Bureau to be known as the "North Carolina Rate Bureau," with the following objects and functions:

...

(5) a. It is the duty of every insurer that writes workers' compensation insurance in this State and is a member of the Bureau, as defined in this section and G.S. 58-36-5 to insure and accept any workers' compensation insurance risk that has been certified to be "difficult to place" by any fire and casualty insurance ~~agent-producer with property and casualty lines of authority~~ who is licensed in this State. When any such risk is called to the attention of the Bureau by receipt of an application with an estimated or deposit premium payment and it appears that the risk is in good faith entitled to such coverage, the Bureau will bind coverage for 30 days and will designate a member who must issue a standard workers' compensation policy of insurance that contains the usual and customary provisions found in those

policies. Multiple coordinated policies, as defined by the Bureau and approved by the Commissioner, may be used for the issuance of coverage under this subdivision for risks involved in employee leasing arrangements. Coverage will be bound at 12:01 A.M. on the first day following the postmark time and date on the envelope in which the application is mailed including the estimated annual or deposit premium, or the expiration of existing coverage, whichever is later. If there should be no postmark, coverage will be effective 12:01 A.M. on the date of receipt by the Bureau unless a later date is requested. Those applications hand delivered to the Bureau will be effective as of 12:01 A.M. of the date following receipt by the Bureau unless a later date is requested. The Bureau will make and adopt such rules as are necessary to carry this section into effect, subject to final approval of the Commissioner. As a prerequisite to the transaction of workers' compensation insurance in this State, every member of the Bureau that writes such insurance must file with the Bureau written authority permitting the Bureau to act in its behalf, as provided in this section, and an agreement to accept risks that are assigned to the member by the Bureau, as provided in this section.

- b. The Bureau shall maintain a compendium of employers refused voluntary coverage, which shall be made available by the Bureau to all insurers, licensed ~~agents,~~ producers, and self-insureds' administrators doing business in this State. It shall be stored and indexed to allow access to information by industry, primary classifications of employees, geography, experience modification, and in any other manner the Bureau determines is commercially useful to facilitate voluntary coverage of listed employers. The Bureau shall be immune from civil liability for erroneous information released by the Bureau pursuant to this section, provided that the Bureau acted in good faith and without malicious or willful intent to harm in releasing the erroneous information.
- c. Failure or refusal by any assigned employer risk to make full disclosure to the Bureau, servicing carrier, or insurer writing a policy of information regarding the employer's true ownership, change of ownership, operations, or payroll, or any other failure to disclose fully any records pertaining to workers' compensation insurance shall be sufficient grounds for the termination of the policy of that employer.

SECTION 14.(tt) G.S. 58-36-105(e) reads as rewritten:

"(e) Copies of the notice required by this section shall also be sent to the ~~agent or broker insurance producer~~ of record though failure to send copies of the notice to those persons shall not invalidate the cancellation. - (6) Upon the request of any licensed ~~fire and casualty agent~~ insurance producer with property and casualty lines of authority meeting any two of the standards set forth below as determined by the Commissioner within 10 days of the receipt of the application, the Facility shall contract with one or more members within 20 days of receipt of the determination to appoint such licensed ~~fire and casualty agent~~ insurance producer with property and casualty lines of authority as designated agents in accordance with reasonable rules as are established by the plan of operation.
