data from non-State entities in order to calculate forward looking wage analysis formulas and
finalize the exact rates needed to implement this act.

**SECTION 3.** Mid-Rate Cycle Adjustments. – If a local management entity/managed care organization implements a provider rate increase or adjustment in accordance with this act at any time other than the beginning of a rate cycle, then the Department of Health and Human Services, Division of Health Benefits, shall provide the funds necessary to sustain that rate increase or adjustment in the applicable per member per month capitation amount for the next rate cycle.

9 SECTION 4. Approval by the Centers for Medicare and Medicaid Services Required 10 Before Implementation. – The Department of Health and Human Services, Division of Health 11 Benefits (DHB), is directed to seek approval from the Centers for Medicare and Medicaid 12 Services (CMS) prior to implementing the rate increases described under Section 1 of this act. 13 Upon approval, DHB shall implement the rate increases to the extent allowed by CMS.

SECTION 5. Effective Date. – Sections 1, 2, and 3 of this act become effective upon the approval by CMS required by Section 4 of this act. The Secretary shall notify and provide verification to the Office of State Budget and Management and the Fiscal Research Division upon receipt of this approval. The remainder of this act becomes effective July 1, 2021. If the approval required by Section 4 of this act is not granted by CMS prior to June 30, 2023, then this

19 act shall expire on that date.
