

§ 47C-4-111. Release of liens or encumbrances.

(a) In the case of a sale of a unit where delivery of a public offering statement is required pursuant to G.S. 47C-4-102(c), a seller shall, at or before conveying a unit, record or furnish to the purchaser, releases of all liens or encumbrances affecting that unit and its common element interest which the purchaser does not expressly agree to take subject to or assume, or shall provide a surety bond or substitute collateral for or insurance against the lien or encumbrance as provided for liens or encumbrances on real estate in G.S. 44A-16(5) and (6) or insurance against the lien or encumbrance acceptable to the purchaser. This subsection does not apply to any real estate which a declarant has the right to withdraw.

(b) Before conveying real estate to the association the declarant shall have that real estate released from: (1) all liens or encumbrances the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units, and (2) all other liens or encumbrances on that real estate unless the public offering statement describes certain real estate which may be conveyed subject to liens or encumbrances in specified amounts.
