A BILL TO BE ENTITLED

AN ACT TO APPROPRIATE FUNDS TO PROVIDE FOR A STATEWIDE
INDEPENDENT LIVING REHABILITATION PROGRAM.

Whereas, the General Assembly has established and funded nine Independent Living Rehabilitation Program offices that serve 57 counties; and

Whereas, the Independent Living Program enables people with severe physical disabilities to manage their own lives better, to assume more personal responsibility to their families and to their communities, and to become more independent; and

Whereas, the specific services provided by the Independent Living Program, such as rehabilitation engineering, home and vehicle modifications, adaptive equipment purchases, housing placement and assistance, attendant care, attendant management training, planning for leisure activities, and other independent living guidance and counseling services, enable many severely physically handicapped people to maximize their potential as citizens in their homes and in their communities; and

Whereas, the independence severely physically handicapped people achieve through the Independent Living Program enables them to avoid being institutionalized for as long as possible, while the cost of the Program is far less than insitutionalization would be; and

Whereas, seven more Program offices are needed to serve the remaining 43 counties: Alleghany, Anson, Ashe, Avery, Bertie, Camden, Carteret, Cherokee, Chowan, Clay, Craven, Currituck, Dare, Franklin, Gates, Graham, Granville, Halifax, Hertford, Hyde, Jackson, Johnston, Jones, Macon, Montgomery, Nash, Northampton,
