The General Assembly of North Carolina enacts:

Section 1. G.S. 105-164.3(16) reads as rewritten:

"(16) Except as provided in paragraph f., 'sales price' means the total amount for which tangible personal property is sold including charges for any services that go into the fabrication, manufacture or delivery of such tangible personal property and that are a part of the sale valued in money whether paid in money or otherwise and includes any amount for which credit is given to the purchaser by the seller without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, interest charged, losses or any other expenses whatsoever. Provided, however, that where a manufacturer, producer or contractor erects, installs or affixes tangible personal property upon real property pursuant to a construction or performance-type contract with or for the benefit of the owner of such real property, the sales price shall be the cost of such property to the manufacturer, producer or contractor performing the contract. Provided, further:

- 1 a. The cost for labor or services rendered in erecting, installing or
2 applying property sold when separately charged shall not be
3 included as a part of the 'sales price';
- 4 b. Finance charges, service charges or interest from credit
5 extended under conditional sales contracts or other conditional
6 contracts providing for deferred payments of the purchase price
7 shall not be considered a part of the 'sales price' when
8 separately charged;
- 9 c. 'Sales price' shall not include the amount of any tax imposed by
10 the United States upon or with respect to retail sales whether
11 imposed upon the retailer or consumer except that any
12 manufacturers' or importers' excise tax shall be included in the
13 term.
- 14 d. 'Sales price' shall not include any amounts charged as deposits
15 on beverage containers which are returnable to vendors for
16 reuse and which amounts are refundable or creditable to
17 vendees, whether or not said deposits are separately charged.
- 18 e. 'Sales price' shall not include amounts charged as deposits on
19 aeronautic, automotive, industrial, marine and farm replacement
20 parts which are returnable to vendors for rebuilding or
21 remanufacturing and which amounts are refundable or
22 creditable to vendees, whether or not such deposits are
23 separately charged. This subsection shall not be construed to
24 include tires and batteries.
- 25 f. The sales price of tangible personal property sold through a
26 coin-operated vending machine, other than closed-container soft
27 drinks subject to excise tax under Article 2B of this Chapter or
28 tobacco products, is considered to be fifty percent (50%) of the
29 total amount for which the property is sold in the vending
30 machine."

31 Sec. 2. This act becomes effective August 1, 1993, and applies to sales made
32 on or after that date.
