## SENATE DRS95069-LL-162 (03/15)

Short Title: Retirement Protection Act. (Public) Senator Apodaca (Primary Sponsor). Sponsors: Referred to: A BILL TO BE ENTITLED AN ACT TO AMEND THE PROVISIONS FOR THE ALLOWANCE OF RETROACTIVE MEMBERSHIP SERVICE IN THE TEACHERS' AND STATE EMPLOYEES' RETIREMENT SYSTEM AND THE LOCAL GOVERNMENTAL EMPLOYEES' RETIREMENT SYSTEM. The General Assembly of North Carolina enacts: **SECTION 1.** G.S. 135-3(8)d. reads as rewritten: "d. Should a beneficiary who retired on an early or service retirement allowance under this Chapter be restored to service as an employee or teacher, then the retirement allowance shall cease as of the first of the month following the month in which the beneficiary is restored to service and the beneficiary shall become a member of the Retirement System and shall contribute thereafter as allowed by law at the uniform contribution payable by all members. Upon his subsequent retirement, he shall be paid a retirement allowance determined as follows: For a member who earns at least three years' membership service after restoration to service, creditable service earned while in receipt of disability benefits under Article 6 of this Chapter shall count as membership service for this purpose only, and the retirement allowance shall be computed on the basis of his compensation and service before and after the period of prior retirement without restrictions; provided, that if the prior allowance was based on a social security leveling payment option, the allowance shall be adjusted actuarially for the difference between the amount received under the optional payment and what would have been paid if the retirement allowance had been paid without optional modification. In the alternative, the member may receive a refund of the member's accumulated contributions for the period of service after restoration to service in accordance with G.S. 135-5(f). For a member who does not earn three years' membership 2. service after restoration to service, the retirement allowance shall be equal to the sum of the retirement allowance to which he would have been entitled had he not been restored to

service, without modification of the election of an optional allowance previously made, and the retirement allowance that results from service earned since being restored to service; provided, that if the prior retirement allowance was based on a social security leveling payment option, the prior allowance shall be adjusted actuarially for the difference between the amount that would have been paid for each month had the payment not been suspended and what would have been paid if the retirement allowance had been paid without optional modification. In the alternative, the member may receive a refund of the member's accumulated contributions for the period of service after restoration to service in accordance with G.S. 135-5(f), or the member may allow this new account to remain inactive."

**SECTION 2**. This act becomes effective January 1, 2012, and applies to persons retiring on or after that date.
