- (b) Middle schools shall offer an exploratory computer science course.
- (c) The State Board of Education, in consultation with the Department of Public Instruction, shall adopt a list of approved courses that fulfill the exploratory computer science requirement by July 1, 2025. The list of approved courses shall be made publicly available on the Department's website. The courses shall meet or exceed the standards requirements established by the State Board of Education.
- (d) Students shall complete at least one high school level computer science course in order to receive a diploma of graduation from high school.
- (e) The State Board of Education, in consultation with the Department of Public Instruction, shall adopt a list of approved courses that fulfill the computer science requirement by July 1, 2023. The list of approved courses shall be made publicly available on the Department's website. The courses may be taken in middle or high school grades but shall meet or exceed the high school standards requirements established by the State Board of Education.
- (f) Computer science courses and exploratory computer science courses offered by public school units shall be conducted in an in-person setting. A virtual or distance option may only be offered when an in-person setting is not feasible.
- (g) Beginning July 1, 2024, a public school unit may submit a signed notification to the Department certifying that a computer science course was not available for pupils to fulfill the requirements of this section and is waived for those pupils.
 - (1) This subsection expires July 1, 2026.
 - (2) The Department shall maintain a list of the public school units that submitted signed notification waivers.
- (h) Beginning July 1, 2023, if a student enrolls in a North Carolina public school after completion of grade 11, the student shall be exempt from the computer science graduation requirement.
- (i) Computer science courses may fulfill other graduation requirements adopted by the State Board in accordance with G.S. 115C-12(9d)c."
- **SECTION 2.(b)** Subsection (b) of G.S. 115C-81.90, as enacted by this section, becomes effective July 1, 2025, and applies beginning with the 2025-2026 school year. The remainder of this section is effective when it becomes law and applies to students entering grade nine in the 2024-2025 school year.
- **SECTION 3.** Except as otherwise provided, this act is effective when it becomes law.
